

Matching Gift Companies

Matching donation programs are a great way to multiply your support. Here is a list of some companies that match donations of cash and time. Please check with your employer to see if they will match your support, as this list is not all-inclusive. Typically the gift needs to be registered to become eligible for match. Your Human Resources staff should be able to assist you with this. Let us know if there is anything that we need to complete on our end.

Matching Gift Company
